MOBILIA

THE GLOBAL BRAND OF FASHION IS NOW IN FURNITURE

Founded in 1950 by Monsieur Pierre Cardin in France, the brand has become one of the largest fashion empires of all time, shaping global fashion with its innovations and extraordinary designs. Pierre Cardin is recognized by authorities as one of the five most famous French fashion designers in the world.

After the 1980s, Pierre Cardin opened boutiques worldwide, from America to China, from the United Kingdom to the Soviet Union, expanding beyond clothing into jewelry, perfume, furniture, accessories, and more.

By 1993, Pierre Cardin entered Turkey through a collaboration agreement with Aydınli Group. In 1994, the first Pierre Cardin store in Turkey was opened.

In 2023, Pietro Mobilya acquired the Turkish and global brand license rights for Pierre Cardin's home furniture group. Inspired by French and Italian modern design lines, Pietro Mobilya began its production and marketing activities in Bursa under the name Pierre Cardin Mobilia.

Drawing inspiration from Monsieur Pierre Cardin's approach to modern design, Pierre Cardin Mobilia incorporates avant-garde and futuristic designs into furniture, continuing to expand rapidly by opening franchises both domestically and internationally.
